

Maximum Golf Swing Training for 2018

Featuring CPGA Professional Kevin Snell with 30 Years Experience in the golf industry.

Get your golf season off to a swinging start long before the snow disappears

This proven 5 week (1 hour) program will help improve every aspect of your golf swing and stance through high energy focused golf aerobics in a warm indoor setting. Loyal golfers to the program improve and have a much better understanding of the swing and get rid of those nasty habits.

All that is required is a club and running shoes (we can supply the club if needed)

Maximum of 12 golfers per time slot and must be 13 years of age or older. Space will fill quickly. Register Today!
